Dear Parent/Guardian:

We value your role in working to help your child achieve high academic standards. The following is an outline of some of the ways that we can build and maintain a strong home-school partnership to share the responsibility of supporting our child's learning.

Northern Burlington's Responsibility:

- Provide high quality curriculum and learning materials.
- Provide opportunities for ongoing communication between parents and teachers through:
  1. Annual Parent-Teacher Conferences
  2. Power School and communications regarding student progress

Parent's/Guardian's Responsibility:

- Encourage your child to attend school regularly.
- Encourage your child to show positive school behavior.
- Monitor your child's progress.
- Encourage your child to manage time wisely.
- Attend parent-teacher conferences and participate, when appropriate, in decisions relating to the education of your child

Please review this School-Parent Compact with your child.

Thank you for your support and involvement in your child's education.

Sincerely,

*Kathy McCormick*
