**February 1, 2010**

**Dear Parents and Guardians:**

**Northern Burlington County Regional High School has scheduled another round of parent conferences for Monday evening, February 22 from 6:30 – 8:30 p.m.**

**While all of our parents are invited to communicate with teachers at any time, these conferences are specifically designed for parents of students who are experiencing academic difficulties in one or more classes. As we move beyond the midway point in the school year, we hope to make every attempt to ensure that all NBC students have the opportunity to succeed academically and we understand that this takes cooperation between parents and school staff.**

**We will be contacting the parents of all students who have been identified by teachers as struggling academically or not meeting their academic potential. These parents will be asked to schedule appointments directly with teachers to discuss their child's academic progress and anything that we, as a school, can do to help their son or daughter succeed. All conferences will take place in the teachers' classrooms.**

**Parents who do not receive a specific invitation to attend conferences, but would like to speak with a teacher, are asked to call, email the teacher or set up an appointment via the counseling office.**

**We wish your child continued success as we enter the second semester of the school year. If we can be of any service, please do not hesitate to contact us.**

**Sincerely,**

**Andrew Kearns**  
**Principal**
